PRESENTERS

MARY JEAVONS

Director - Jeavons Landscape Architects

Mary Jeavons is a Registered Landscape Architect with over 30 years' experience in landscape planning and design and the design of play spaces. She is a Fellow of the Institute of Landscape Architects. Mary is a representative on the AS Standards Committee CS5 for playground safety, and has a sophisticated understanding of the practical implications of safety standards on children's play environments. She is a regular speaker at conferences and seminars both within Australia and overseas.

SIGI HYETT

Chief Executive Officer - Northern Schools Early Years Cluster Inc.

A passionate Early Childhood Professional with over 30 years experience who has worked in diverse settings, including, schools, non for profit, local government, community health and business sector. Sigi is the CEO of Northern Schools Early Years Inc. and a board member of Community Child Care. Sigi has experience in various early years settings including Early Years Management, has supported integrated service delivery and steered the delivery of numerous children's refurbishments and rolled out funded 15 hour of kindergarten across multiple services.

DEBBY MAZIARZ

Creative Director - Debby Maziarz Productions

Debby Maziarz is a community development practitioner and creative entrepreneur who mentors artists, organisations and communities to create solid plans for resourcing their work. Renowned for unearthing innovative and 'fundable' ideas, Debby is driven to build the capacity of communities to get their important work done. She's also got a great track record in sourcing funds – including founding Melbourne's Westside Circus and Debby Maziarz Productions.

ANGELA TIEMAN

Occupational Therapist - Sensory Health Matters

With over 18 years of experience in both the United Kingdom and Australia, Angela is passionate about the crucial link between sensory integration, active play, social-emotional development, and learning. She believes that sensory processing and integration are foundational to health, wellbeing, and academic success. Angela is dedicated to helping educators understand the unique role our senses play in supporting development and how intentional playground design can enhance sensory regulation, directly impacting learning and overall growth.

LINDA HYETT

Teaching and Learning Coach - Northern Schools Early Years Cluster Inc.

I am an experienced early childhood teacher, educational leader and mentor with over 30 years' experience in education. As a Teaching and Learning Facilitator at NSEY, my focus is on coaching and mentoring educators across our services to build their capacity to deliver the highest quality education and care for all children. I have a particular interest and expertise in creating rich learning environments that act as the "third teacher" to engage children and scaffold their learning, as well as in using nature pedagogy as a way to deepen children's connection to the world around them.
